WESTERLY

With a finish light for state senator from Westerly between Senator Albert H. Langworthy and Maurice W. Flynn and a square, four-cornered scrap for representative in the first district between Representative Francis G. Haswell and his willing-to-be successors, Joseph F. Murphy, John Ferguson, Jr., and Dr. Thomas Robinson; with a possible contest for representative nomination in the second district against Representative Samuel H. Davis, there is indication of a lively republican caucus next Monday night. The real point at issue is the stand of the candidates in the proposed national prohibition amendment. While claim is made that Westerly is strong for prohibition and always has been, the fact that the town has voted license for several years, puts the claim in doubt.

The 69th annual conference of the Narragansett Baptist association was held at the First Baptist church, East Greenwich, Moderator, William B. Tully, presiding. Officers were elected as follows: Rev. S. B. Chapman, moderator; Thomas H. Peabody, vice-moderator; James E. Reynolds, treasurer; Harry S. Dixon, clerk. Mr. Peabody declined to accept the honor of the ground that the pastor of his church, the First Baptist, Westerly, had never made moderator, but his declination was laid on the table.

Committees were appointed as follows: Rev. W. L. Woods, Charles S. Wightman, C. B. Reynolds, in place and preacher of the next year's convention; Rev. W. A. Tully, Rev. T. C. Gleason, Rev. W. H. Hackett, William H. Green and Charles Sherman, on nominations for personal council; Rev. A. H. Adams, Jr., Rev. W. T. Bond, and John H. Champlin, committee on apportionment. The delegates, Deacon and Mrs. William H. Greene, Mr. and Mrs. Thomas H. Peabody, Rev. F. Stewart Kinley, Miss Daisy Peabody, Lee C. Nye, Deacon David A. Condon, Mrs. F. Stewart Kinley, Mr. and Mrs. William Scott, Mrs. Albert T. Kenneth, Mrs. Adelaide Chapman and Lewis S. McKell.

At the annual meeting of the Ladies' Aid society of the Broad Street Christian church, these officers were elected: Mrs. Jennie Smith, president; Mrs. Lyndon Taylor, Mrs. Fred S. Ople, vice presidents; Mrs. Samuel Gilven, collector; Mrs. Edward Gavitt, treasurer; Mrs. Frederick Rogers, secretary. President, in behalf of the society, presented to Mrs. John G. Dutton one dozen silver spoons, monogrammed and with date of the Mother's pattern, for twenty years of service in the society. In behalf of the members, Mrs. Jennie Smith presented a handsome china dish to Mrs. Rogers.

The apportionment among the local boards of the call for 28 general service men who will go from Rhode Island and to Camp Meade, Md., during the five days' period beginning Oct. 7, has been announced. To insure the enlistment of 28 men, the state board of registrants will be summoned, State Division No. 1, which includes Westerly, will furnish 21 men.

Twelve limited service men will be sent to Camp Devens on Saturday, three to complete and the rest to fill vacancies in the recent quota of thirty draft clerks, several of whom were taken for general service after they reached camp.

The Second district considered fifty claims for exemption from the draft Friday, all cases on industrial or agricultural grounds. Among those whose claims were denied and placed in Class 1, as men held for military service are: Walter A. Kenyon, of Hopkinton; Ernest Panchera, 53 Ledwell avenue, Pawcatuck; Anthony M. Canal street, and Antonio Gallucci, Central park, Westerly; William Henry Masterson, East Greenwich; Walter E. Mather, 107 West Greenwich; and John D. B. of Westerly. As a necessary agricultural worker, and Albert Willard Damon, of Kingston, was given same assignment. Willis A. Jones, of Westerly, was placed in Class 2, Division D, as a necessary industrial worker.

Ratification of the federal prohibition amendment prevailed at the republican caucus in Hopkinton when Joseph J. Taylor was nominated for senator and Rev. Everett P. Mathewson for representative. Frank Hill was chairman and Frank E. Nichols clerk. Senator Joseph J. Taylor, Representative Leverett A. Briggs, John S. Cole and Albert S. Babcock were chosen delegates to the state and Second district congresses. John S. Cole was elected to the state central committee. The town committee is composed of Charles S. Briggs, Amasa Edmonds, Frank E. Nichols, Henry D. B. of Westerly, and Heeler. Resolutions were adopted in approval of the action of Senator Cole and Congressman Stines in supporting the president in his conduct of the war.

Local Laocines.
All cases on the civil docket of the Third district court were continued at Friday's session in Westerly. There was no criminal docket.

THROW OUT THE LINE

Give Them Help and Many Norwich People Will Be Happier.

"Throw Out the Life Line"—Weak kidneys need help. They're often overworked—they don't get the poison filtered out of the blood.

Will you help them? Doan's Kidney Pills have brought benefit to thousands of kidney sufferers.

Norwich testimony proves their worth. Mrs. Harold Vars, 25 Penobscot St., says: "One box of Doan's Kidney Pills gave me complete relief from terrible sharp pains across the small of my back. My back bothered me most when I stooped or exerted myself. It was through a friend, I learned of Doan's Kidney Pills and I was advised to give them a trial. Doan's certainly did all that was claimed for them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Vars had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Stonington grange fair. A number of Westerly young men are awaiting the opportunity to enlist in the navy. The draft board has not received official notice that enlistment is open.

With practically but one political party in Westerly, there are two well defined factions, and there is almost continuous contest for political supremacy. There is no republican democratic controversy and just at present the issue that dominates locally is prohibition and anti-prohibition, or perhaps organized and anti-labor. Billy Sunday and party will arrive in Providence this afternoon. Several from Westerly are planning to attend the opening service Sunday afternoon of the six weeks' campaign.

John Gleason, city and town clerk of Hartford, was in Westerly Thursday. He was formerly a reporter on the Hartford Times and the special legislative writer for that newspaper. Captain and Mrs. Chatfield of Voluntown visited in Westerly Thursday. The captain represented Voluntown in the legislative session of the Connecticut legislature.

The wets had the call in Westerly Friday. In preparation for the coming political campaign, the republican city committee of Providence has been organized with William W. P. Bowe as chairman and treasurer. Samuel P. Lawton, formerly of Westerly, was chosen chairman of the Sixth ward committee.

The final concert of the season will be given by Westerly band Sunday afternoon in Wilcox park. The band will give service as ever—of the spooling, warping and winding departments of the Lorraine mill. William Dunn has taken a similar position in the Lancaster mills in Clinton, Mass. He was president of a substantial purse in behalf of the employees and the overseas gave him a traveling bag.

Miss Jane Frances Peckham of Hopkinton, graduate of the Westerly High school, class of 1914, and Brown university, 1918, will leave for France under government appointment. She is to be laboratory technician in a base hospital. She is daughter of Mr. and Mrs. Charles Peckham.

Fred Wright and Miss Mildred Bean, members of the Bab Ott company, now playing in Westerly, were married by Judge Elias B. Hinckley in Stonington Friday morning. Elizabeth S. Brown, age 15, daughter of Mr. and Mrs. F. W. Brown, of North Stonington, is the teacher in charge of District No. 1 school. She was graduated from Wheeler school last June and was salutatorian.

The Fourth company, Westerly, Rhode Island State guard, is planning a Sunday hike.
